

Video Conferencing Solution with 3X Optical Zoom Camera and Wireless USB desk top Speakerphone

Wireless USB desk top Speakerphone

Wireless USB desk top Speakerphone and wireless receiver set

The **HuddlePod Air** is the ideal portable and wireless USB microphone. With a full-duplex omni directional microphone the HuddlePod Air takes advantage of a direct 2.4GHz wireless USB receiver.

No more work pairing bluetooth devices with a low quality audio connection

Simply turn on the speakerphone, plug in your wireless USB receiver and you are ready to go. Your favourite web video conferencing software will automatically recognize the "HuddlePod Air" as your USB microphone device.

3X Optical Zoom Camera

The HuddleCamHD USB3.0 is built to provide superb 1080p quality, ten times faster than USB2.0.

You will notice the difference right away!
