

EVERYTHING YOU NEED IN AUDIO VISUAL EQUIPMENT FOR YOUR SCHOOL

**3 MONKEYS AUDIOVISUAL
PERTH AV SPECIALISTS**

About us

Formed in 2007 by founding director Francis Fragomeni, 3 Monkeys Audiovisual has grown into one of Perth's most respected AV Companies. 3 Monkeys Audiovisual design, supply and install Perth's biggest and best ranges of Audio Visual equipment for Corporate Offices, Schools & Education, City Councils, Recreation Centres, Churches, Gyms, Cafes & Restaurants and more.

Our goal is to help our clients streamline efficiency in day-to-day tasks by providing them with access to the ever-evolving latest technology.

Our sales & design team work 1-1 with our clients to custom design a solution best suited for their space and requirements, taking into account important factors such as functionality, ease of use and aesthetics.

You can be assured of the right system, backed by our staff having over a 100 years of combined experience and having completed over 10,000+ AV Installations within the commercial and educational sectors.

WHAT WE DO

- ✔ Classroom Interactive Displays & Projectors
- ✔ Reception Digital Signage Solutions
- ✔ School Hall & Undercover Area Projection and PA Systems
- ✔ Large LED Displays
- ✔ School Bell, Alert, Evac & PA Systems
- ✔ Boardroom Conferencing Technology
- ✔ Portable PA Systems
- ✔ Servicing & Repairs
- ✔ Live Streaming Solutions
- ✔ Acoustic Treatment Solutions
- ✔ Theatre Lighting and Stage Curtains
- ✔ Ongoing Training & Support

UNDERCOVER AREA PROJECTION

Consisting of high-grade components and a simple “one touch” operating system our Undercover Area Projection Solutions offer schools bright and powerful projection with a fully automated electric screen and a simple to operate wall connection plate.

Your investment is protected in a sturdy projector cage, guarding it from ball sports or possible theft. Our one touch solution eliminates the requirement for complex remote control units that are often lost, broken or require new batteries.

Operation of the system is intuitive and requires very little staff training.

REMOTE ASSEMBLY LIVE STREAMING

Our school hall remote assembly/live streaming system has been custom designed specifically for school halls and undercover areas.

Our packages can include:

- Streaming and Recording System
- Full HD Camera
- **Simple Push Button Wall Controller**
- **Easy USB Recording Access**
- Custom camera protection surround
- Installation, Test & Commissioning
- Staff Training

SCHOOL HALL, THEATRE OR UNDERCOVER AREA CUSTOMISED LED SCREEN

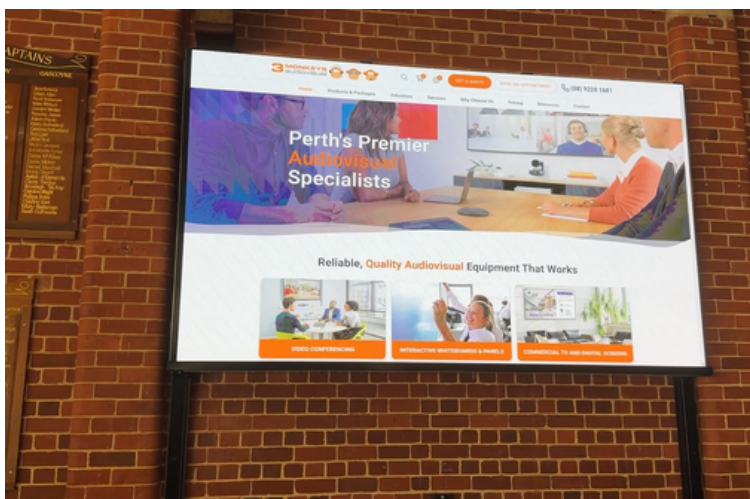

LED Screens – Customised Solutions for your venue

Transform your space with high quality visuals: LED Screens for Large Venues

Elevate your venue and events with our high-definition LED screens, designed to captivate and engage large audiences. Whether you're hosting a school assembly, concert, corporate event, sports game, or any large gathering, our LED screens deliver vibrant, crystal-clear visuals that bring your content to life. With exceptional brightness, wide viewing angles, and seamless integration, our LED screens ensure that every seat in the house has a perfect view.

Key Features:

- **High Definition & Brightness:** Enjoy ultra-sharp images and videos with our cutting-edge LED technology, even in bright outdoor settings.
- **Customizable Sizes:** From small gatherings to massive arenas, our screens can be tailored to fit any space.
- **Durability & Reliability:** Built to withstand the rigors of large events, our LED screens are robust and reliable.
- **Versatile Content Display:** Perfect for live feeds, advertisements, presentations, and more, our screens offer versatile display options to meet your needs.

SCHOOL HALL OR UNDERCOVER AREA AUDIO SYSTEM (3MAV TRIPLE PA SYSTEM) PORTABLE OR INSTALLED

Designed specifically for multipurpose **school halls and undercover areas**, our versatile Triple PA system can be both portable and an installed solution.

This system will **provide clear intelligible sound for all of your school's events** from school assemblies, right through to full *school productions, sports carnivals, Anzac ceremonies and performances including visual presentations, movie nights and school discos.*

Supplied and installed with 4 speakers and speaker wall plate, the system is easy to use and may be supplied with a host of optional extras including, bluetooth music player, additional wireless microphones & more.

The system comes pre-assembled and professionally wired by our qualified technicians. The unit is then clearly labelled (mic 1, mic 2, Aux etc) then delivered and installed by our team.

The main road case may also be unplugged from the speaker wall plates that we install in your store room and be wheeled to any other location for connection to our optional Portable Speaker Kit – allowing you to enjoy excellent audio coverage for events.

Following installation we book in a **FREE Fun & Informative Training Session** where our trainer will run through how to use and setup the system. Delivered in easy to understand format, no technical jargon! We are also happy to offer over the phone and email support for the life of the PA.

SCHOOL WIDE PA / BELL

Never miss another school bell!

We custom design & install effective and simple to use **Automated School Bell / Paging & Lockdown Systems**, complete with Alert Tone Generators.

You can even have **music as your school bell or alert sound**.

With indoor classroom and hallway outdoor speakers, you'll hear announcements and bells from all around your school.

Indoor Speakers

Outdoor Speakers

PORTABLE PA SYSTEMS

SMALL, MEDIUM AND LARGE OPTIONS

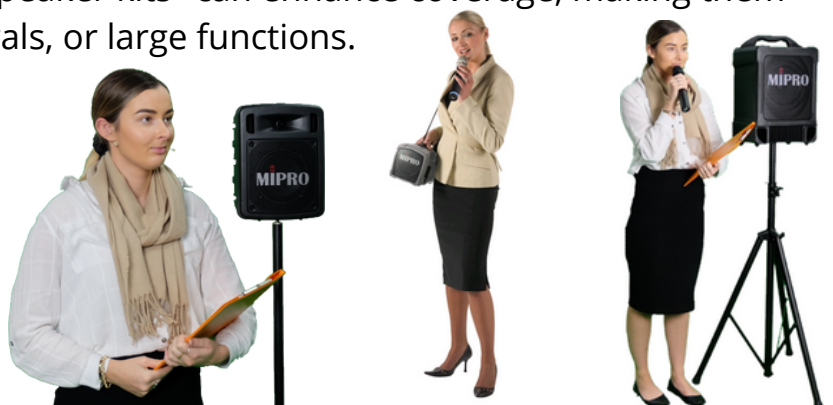

Offering a range of portable PA systems in *small*, *medium*, and *large* sizes to suit various needs. Our small handheld systems are rechargeable, providing up to 7 hours of use on a single charge—ideal for *classrooms*, *small gatherings*, *tour guides*, or *meetings*.

Each system can be supplied with a *cabled microphone* or upgraded to a wireless microphone and receiver. Wireless options include *handheld*, *headset*, and *lapel* microphones for added flexibility.

For larger audiences, we offer medium and large PA systems designed to cover greater areas. Additional extension speakers or "sports speaker kits" can enhance coverage, making them perfect for outdoor events, sporting carnivals, or large functions.

Optional extras:

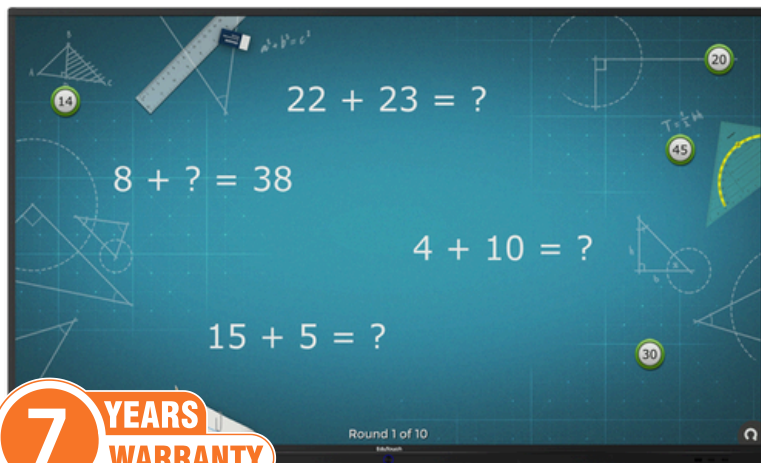

- Protective speaker covers
- Speaker stands
- Wireless microphone options
- Sports speaker kits

EDUTOUCH INTERACTIVE PANEL CLASSROOM SOLUTION

Features:

- 4K Ultra high-definition display
- Integrated Android interface with touch control
- Whiteboard on Android
- Web browsing
- 50 Point touch
- UHD resolution (3840 x 2160)
- Optional OPS Module
- Toughened glass (Mohs Scale Level 7)
- Anti-Glare etched glass
- Windows and macOS compatible
- **7 Year on site warranty**
- **E-Share Wireless:**
 - Display with touch control for Mac and Windows.
 - Display only on Android and iOS handheld devices
 - Supports AirPlay, Chromecast and Miracast
- Dual-Band WiFi with Hotspot and Bluetooth

*Frame colour may vary.

Create an interactive and collaborative learning environment within the classroom with our EduTouch Solutions, specifically designed for education!

Wall mount or mobile trolley options are available to suit your classroom, library, school hall, meeting room or staff room.

Ongoing staff training & support is provided to enable teachers to use the panel to its full potential, engaging in all of the software and content available.

This brings greater support and engagement to the classroom when delivering to your students.

All our EduTouch Panels come standard with:

A Bundle of FREE Educational Software with the Purchase of any EduTouch Interactive Display. Included Software:

Readme Software & Training
Single User 12 Month Subscription

E-Share
E-Share allows for **wireless display and touch control with Mac and Windows** and wireless display from Android and iOS devices (Airplay),

3 MONKEYS AUDIOVISUAL CLASSROOM DISPLAYS

EDUTOUCH INTERACTIVE PANEL CLASSROOM SOLUTION

Interactive Lessons

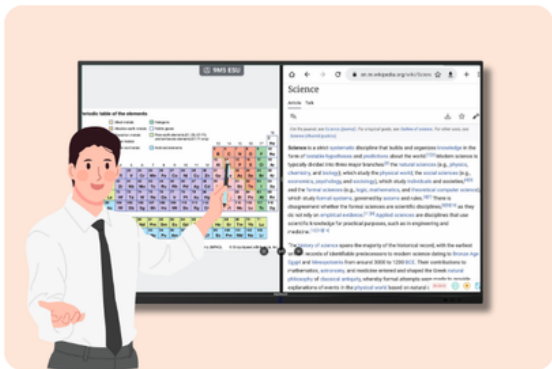

Increase student engagement and collaboration with effective, interactive lessons.

With built in whiteboard, annotation, split screens and wireless screen sharing you can provide intuitive presentations to your team or clients.

Easy Device Connectivity

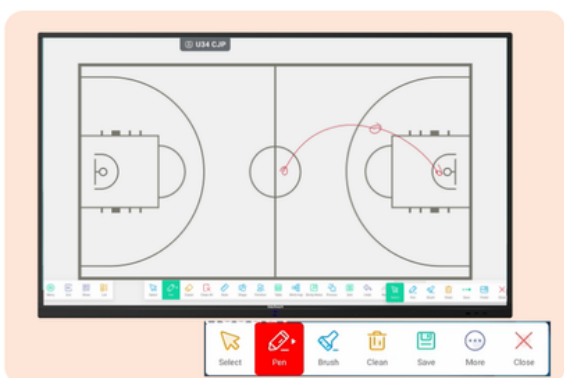

- Connect laptops and desktops with provided HDMI and USB cables.
- The panel supports both VGA and HDMI connections, with touch functionality enabled through the USB-A to USB-B cable.
- Once your display is connected, you can interactively use any software/content from your laptop or PC and present them seamlessly.

Built in Educational Tools

Many built in tools for use in the classroom, including:

- **Timer & Stopwatch:** Built in timer & stopwatch for class activities
- **Record:** Record your lessons for absent students or record presentations with built in screen recording
- **Split Screen:** Present more with the built in split screen
- **Screen lock:** freeze and more.

Whiteboarding for Enhanced Collaboration

- Experience effortless whiteboarding with the built-in Whiteboarding Application.
- Simply **import a variety of media formats**, including PDFs and images, to enhance your discussions.
- **Powerful Annotation Tools** – Write, erase, and save your work directly on the panel.
- **Easy Saving and Sharing** – Save and share notes effortlessly via cloud services like OneDrive and Google Drive.
- **Instant Access via QR Codes** – Share content quickly with colleagues or clients through QR codes.

EDUTOUCH INTERACTIVE PANEL CLASSROOM SOLUTION

Wireless Screen Sharing

Experience seamless wireless display and touch control for Windows, Mac, iPads, tablets, and mobile phones. Through E-Share Screen sharing application or Airplay.

Features include:

- Screen Sharing for up to 9 devices.
- Desktop Sync to view panel content on your device.
- Extended Screen mode.
- Remote control from a mobile device.
- Screen Copy for projecting content onto another interactive flat panel.
- Supports Mac, Windows, Android, and iOS devices with touch control and screen sharing capabilities.

Optional PC Module

Turn your Interactive display into a large format Computer with Microsoft Windows operating on the PC Module you simply need to add a keyboard and mouse and you are underway. You have a completely interactive computer display.

CPU: Intel Core i5 / Core i7

Memory: 8GB DDR4 / 16GB

Display: Intel Iris XE Graphics

Storage: 256GB / 512GB M.2 Drive

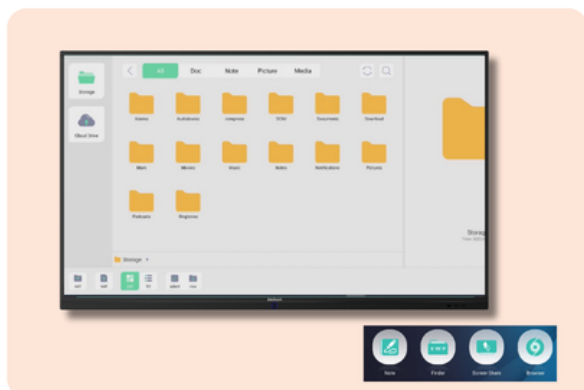

Network: Gigabit LAN, Dual Band Wi-Fi 6

Bluetooth

Audio: HD audio

Operating System: Windows 10 / Windows 11

Ports: 1 x HDMI, 1x USB-C, 2 x USB3.1, 1 x USB2.0, 1 x LAN, 1 x audio out

Intuitive Home Screen with Powerful Applications:

The IG-Touch Interactive Panel's Home Screen features 4 main applications:

- **Finder (File Management):** Built in efficient file management system, easily manage your documents, pictures, audio, and video files.
- **Whiteboard:** Interactive whiteboard for real-time collaboration with multiple functionalities like drawing, writing, and annotating.
- **Browser:** Access the internet directly from your panel.
- **Additional Applications:** Access tools like Browser, Cloud Drive, Keeper, and WPS Office.
- **Screen Share:** Simple and effective screen sharing

3 MONKEYS AUDIOVISUAL CLASSROOM DISPLAYS

EDUTOUCH INTERACTIVE PANEL INSTALLED & MOBILE OPTIONS

**INSTALLED
WALL MOUNTED**

**ELECTRONIC HEIGHT
ADJUSTABLE MOBILE STAND**

The EST05 Electronic Height Adjustable Mobile Solution allows for automated height adjustability; The panel is securely mounted to the trolley and the overall design provides stability and is compatible with all panels (55"-86"). The trolley allows for proper cable management with a laptop shelf that moves with the panel.

**AUTOMATED FIXED
FLOOR STAND**

The EST04 Automated Stand allows for automated height adjustability whilst wall mounted in the classroom. The panel is securely mounted to the stand and the overall design provides stability and is compatible with all panels (55" - 86"). You can also mount it directly to the wall if preferred.

**NON-MOTORISED HEIGHT
ADJUSTABLE TROLLEY**

- Service Life: >30,000 Hours
- Net weight 135Kg
- Built in speakers
- CPU: Quad Core A55
- VESA: 1000 x 400mm
- Dimensions 2501.3 x 1494.7 x 108.9mm

ANDROID SYSTEM

Android 13.0

8GB RAM, 64GB ROM, Bluetooth, Wifi, 2 x 15W Speakers

SUPPORTED SYSTEMS

Windows / Android / Linux/ macOS / Chrome

PORTS AVAILABLE

3 x HDMI in, 1 x USB 2.0, 3 x USB 3.0, 2 x Touch USB, 1 x USB-C, Display Port In, Audio In, Audio Out, HDMI Out, Serial RS232, 2x LAN (RJ45), Digital Audio Out

EPSON INTERACTIVE PROJECTOR WHITEBOARD CLASSROOM SOLUTIONS

Our Interactive Whiteboard (IWB) Solution consists of an Ultra Short Throw *interactive Laser* projector mounted above a porcelain white board.

A wall mounted HDMI/USB input plate allows the presenter to connect their computer/laptop and annotate over their presentation using pen and finger touch.

A set of powered classroom speakers are installed with this solutions, with one mounted either side of the projector to provide crisp, clear audio throughout the classroom.

Options Available:

- Pen only or Finger and Pen Touch.
- Non-Interactive Projection options available.

Porcelain Whiteboard

The whiteboard we supply with this package is designed specifically for use with for this solution and the surface is a rigid, very flat finish allowing for both pen and finger touch calibration. Standard Whiteboard markers can of course still be used on this surface for dry erasable annotation.

BOARDROOM / MEETING ROOM VIDEO CONFERENCING SOLUTIONS

3 Monkeys AV can cover all your video conferencing requirements including:

- Audio (Installed Microphone & Speaker Options)
- Video
- Control systems
- All in one solutions
- Custom designed installed packages
- BYOD Room Solutions
- Appliance Specific Rooms (Microsoft Teams Room etc)
- Transcribing options
- Wireless Video Conferencing
- Wireless Presentation
- Dual Displays & More.

We offer packages to match the size of the room, acoustic environment and connection form.

Our video conferencing solutions are ideal for schools, **classrooms**, small huddle **meeting rooms**, large **staff rooms**, and more. Whether it's a hybrid learning setup, staff meetings, or remote guest lectures, we provide seamless, high-quality solutions for educational environments.

INSTALLED LIGHTING SOLUTIONS

Our Lighting Solution will add that “slick-wow” factor and is supplied with 4 or 8 LED lights and a pre-programmed lighting controller and full post installation training.

Pre-programmed lighting scenes are accessed by simply moving a clearly labelled control lever (fader) on our digital controller option.

Staff and students will have the option to expand their creativity with future assemblies, school productions or awards ceremonies.

PORTABLE LIGHTING SOLUTIONS

Easy to set up and simple to operate LED lights mounted on a push up tripod stand.

Supplied with carry bag and floor foot controller, lights may also be set to “auto” mode and will move to the beat of the music.

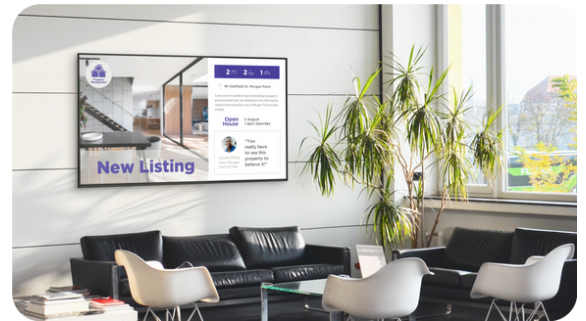

DIGITAL SIGNAGE SOLUTIONS

Create digital signage in a matter of minutes with the easy-to-use content management system, Fusion Signage, and publish the content to your screen.

Digital signage screens can come in a range of sizes, with options for both **portrait and landscape** orientations. Screens can be installed in various locations, such as wall-mounted displays, window signage displays, fixed floor stands, mobile trolleys, and more.

For schools, digital signage provides an effective way to share important announcements, timetables, event schedules, emergency alerts, and student achievements. Whether in reception areas, hallways, cafeterias, or classrooms, digital signage enhances communication and engagement across the school community.

- ✓ **Reception Digital Signage**
- ✓ **Classroom Alerts & Communication**
- ✓ **Staff Room Internal Updates**
- ✓ **Canteen Food Menu**
- ✓ **Roadside LED Screen Signage**

FUSION SIGNAGE CONTENT MANAGEMENT

Fusion Signage helps progressive businesses manage their digital signage content quicker and easier.

Fusion licences come in Basic, Advanced or Pro and have annual, 3 yearly and 5 yearly subscriptions available.

ACOUSTIC PANEL SOLUTIONS CINEMA ROUND

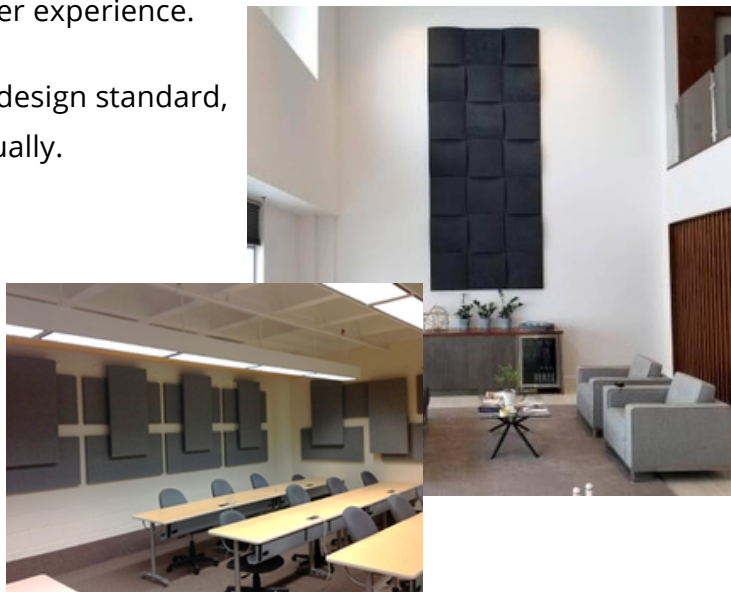

Cinema Round panels are designed to maximise frequency absorption from 100 to 5000 Hz. They are perfect for correcting sound issues in a **boardrooms classrooms, libraries, school halls** by lowering reflectivity issues and making your meetings a better experience.

The finish is also high quality soft material interior design standard, so not only will they perform sonically, but also visually.

They can be placed on walls and ceiling for effect.

STANDARD COLOURS

(Other colour options available)

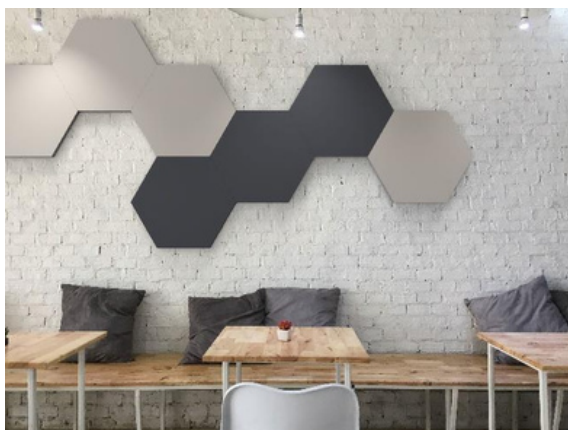

VIXAGON PANELS

Vixagon 40 FS Premium panels are designed to maximise frequency absorption from 100 to 000 Hz. Not as deep as Cinema Round, they still perform well over these frequencies to about 80% of the level of Cinema Round.

Being Hexagon design, it is possible to create some very unique looking designs. In some rooms it also may be more desirable to have "thinner" acoustic treatment.

The finish is also high quality soft material interior design standard, so not only will they perform sonically, but also visually. They can be placed on walls and ceiling for effect.

STANDARD COLOURS

(Other colour options available)

WHAT OUR CUSTOMERS HAVE TO SAY ABOUT OUR SUPPORT

Marco Antonio Parra – PeopleKind Group

I recently had the opportunity to work with 3 Monkeys Audiovisual for a project involving the upgrade of several meeting rooms' audiovisual systems, and I must say that their professionalism and exceptional customer service truly stood out.

Throughout the project, the team at 3 Monkeys AV demonstrated a deep understanding of our needs and provided expert recommendations on how we could improve the audiovisual systems in our meeting rooms. They were patient and responsive to all of our inquiries and provided regular updates on the project's progress.

What impressed me the most was their attention to detail and willingness to go above and beyond to ensure that the upgrades were completed on time and within budget. The team arrived early, well-prepared and executed flawlessly, causing minimal disruption to our daily operations.

Moreover, their follow-up support has been exemplary, with prompt responses to any issues we have had since the upgrade. Overall, I highly recommend 3 Monkeys for any audiovisual needs. Their professionalism, expertise, and exceptional customer service make them a top choice for anyone seeking outstanding audiovisual solutions.

Thank you Francis, Kyle, Barry, and the rest of the team for your exceptional work and dedication.

Darren Walters – Synergy

Fabulous, prompt and professional service from the team at 3 Monkeys when upgrading my portable PA system recently.

Not only did they install the new gear they also did a mini service and tutorial to ensure it (and !!) were using it to its full potential.

Would highly recommend 3 Monkeys to anyone in the market for AV gear.

Maria Macian-Dagino (Rockingham Senior High School)

We're really happy with everything that 3MAV has done for us over the years.

The performance and quality of their systems are excellent. 3MAV staff are always happy to help us whenever we need after sales support or advice.

They have a huge range of products, which is great for us, as we keep buying new products and upgrading our old ones. 3MAV are very professional and great to deal with.

Phillip Anderson (Department of Sports & Recreation)

The systems are fantastic, they work very well and we've barely had any issues with any of them. I was very satisfied with both the quality and performance of the systems. The service we received from 3MAV was absolutely awesome! I think the systems were great value for money.

The people from 3MAV that we dealt with were very professional and provided awesome service. They came in, did what they needed to do and cleaned up after themselves before they left which was great.

The range of products offered is quite large. We are always given different options for the jobs that we need which is great. Dealing with 3MAV was a very enjoyable experience. They provided the right equipment that we needed with no fuss and at a great cost.

Tania James (Our Lady of Mercy)

The systems are very efficient; once they were installed the teachers were able to get on them straight away. The large whiteboard screen is so much better than the old IWB that we had. All the systems are super easy to use so the teachers were able to adapt their lessons and get on with it straight away.

We had excellent service, expertise and follow up support from 3MAV which is why we keep coming back. We are always well looked after and nothing is too big a problem. Even if we call 100 times a day, 3MAV are always happy to help us.

We have found everything from 3MAV to be very good value for money. The 3MAV people are highly professional and a pleasure to deal with. 3MAV have a vast range of products available and we were able to find everything that suited our school and classrooms without having to go elsewhere which was great. Dealing with 3MAV is always easy and we are very happy.
