

SCHOOL LIGHTING PACKAGE SUPREME PACK

Professional Theatre-Style Lighting, Made Simple for Schools

FROM \$15,345+GST

Light up your stage. Wow your audience. Simplify your setup.

The **School Lighting Pack "SUPREME"** is a fully installed, plug-and-play lighting system designed specifically for schools with **large performance areas** or dedicated **school theatres**.

From drama productions and music concerts to assemblies and special events, this system delivers **powerful lighting effects** with **easy, push-button control**.

Perfect for: School Theatres, Large Multi-Purpose Halls, Drama & Performing Arts Departments, Music Performances, Awards Nights & Assemblies

What's Included:

2 x 2-Metre Lighting Bars

Robust mounting bars for clean, elevated positioning of all lights—installed for optimal coverage.

6 x LED Colour Changing Lights

Bright and energy-efficient LEDs with vibrant, dynamic colour options—ideal for setting mood, scene changes, or special effects.

2 x LED Fresnel Clear Lights

Professional theatre-style lights with a soft, even beam—perfect for highlighting key performers or stage areas.

1 x Fully Programmed Wall Controller

User-friendly wall-mounted controller, pre-loaded with custom lighting scenes. Staff and students can operate it with ease—just push a button to transform the stage.

1 x Full Professional Installation

Our team handles everything—mounting, cabling, programming, and setup. We ensure your system is theatre-ready from day one.
